MEMORANDUM FOR PARENTS

FROM: SMSgt Anthony P. Galvez, ASI

Sub: AFJROTC Fines

We would like to ease the concern about uniform fines. All cadets in the program were placed on the Palo Verde HS fines list beginning last school year. In previous years we were experiencing a large loss of uniforms from cadets who either dropped the course or left Palo Verde. Do not pay the fine.

When your son/daughter sign up for a field trip in another class they will come to JROTC and we will email the concerned teacher to excuse them from the fines requirement to travel.

We apologize for causing much concern to you all. But please understand we are looking out for the items that the air force provided to your son/daughter through your taxes.

Sincerely,

Anthony P. Galvez

-----Cut-----

I have read and understand the letter above concerning the uniform fines.
